MA Letter 03_12

TO FIDIC MEMBER ASSOCIATIONS DIRECTORS, SECRETARIES, and Presidents

Dear colleagues,

Please find attached the draft agenda for the **Directors & Secretaries (DNS) meeting** being held in the **COEX Convention Centre (Room 201) in Seoul on Sunday 09 September 2012 at 13.00hrs.**

Thanks to all those who generously contributed with the preparation of this agenda. Special thanks to Megan Motto in Australia and Nelson Ogunshakin in the UK who kindly agreed to take the role of DNS Chairs at the last FIDIC DNS in Davos.

We invite you to register as soon as possible. We are expecting 1000 participants from more than 90 countries at this year's FIDIC World Consulting Engineering Conference. The conference promises to herald a new paradigm for the consulting engineering industry, to firmly establish itself as the trusted advisor to society in terms of developing sustainable infrastructures.

Directors, Secretaries, Presidents and all partners are invited to register for the special DNS dinner which this year is sponsored by the host association, KENCA, and therefore at no charge for you. The dinner will take place the day before the meeting on **Saturday 08 September.**

Please note that the **Presidents meeting** will take place in **Room 201 at the COEX Convention Centre on Sunday morning from 8.30am.** A draft agenda is also included in the attachment.

Please return the attached Participation Form at your earliest convenience, and check the conference website www.fidic2012.org for all the latest details. Please do not hesitate to contact me or my colleague Italo Goyzueta if you have any queries. See you soon in Seoul!

With best regards,

Enrico Vink
FIDIC Managing Director
