## **FIDIC Awards 2014 - Call for Entries**

Dear colleagues,

I have the pleasure to announce the call for entries for the FIDIC Awards 2014. Award nominations are open to all firms or groups of firms that belong to FIDIC Member Associations, Associate Members, or Affiliates. All submissions should be endorsed by one FIDIC Member Association, Associate or Affiliate based in the country where the project is located.

The awards are for projects that have been in operation for at least 1 year and should have been completed in the last 10 years.

Submitted projects must demonstrate innovation, quality, and professional excellence; the principles of transparency and integrity; and sustainability and respect for the environment.

Shortlisted firms will be encouraged to display a poster presenting their projects at the FIDIC International Infrastructure Conference in Rio de Janeiro (28 September – 01 October 2014). Winning firms will be recognised at a special ceremony during the conference Gala Dinner on 30 September 2014.

Detailed description, eligibility, submission materials, judging, and deadlines are enclosed.

I look forward to receiving Award entries from all member countries.

Best regards,

Pablo Bueno  
FIDIC President
